Christmas Morning with Santa & Helper

Christmas morning comes so quickly, and this year it will include a visit from Santa and his helper delivering presents. Please bring in ONE (only one due to space limitations) wrapped present for your loved one to receive when they get up. Please mark the gift with the resident's name (first and last). Have your gifts in by Wednesday, December 21st, so that we have adequate time to organize and make sure everyone has a gift to open. You may drop your gift off to any activity staff member or charge nurse.
